

## Biographical Information Dennis D. Wagner

### PERSONAL INFORMATION

Birthplace: Dearborn, Michigan (1953)

Address: 1179 Secret Lake Loop, Lincoln, CA 95648

Phone: (360) 213-5984

I have been married to my wife Debi Wagner for 35 years. I retired in 2006 and she retired in 2008. We have been Lincoln residents since 2006. We have two sons, Dennis II who is 33 and works for the US Army Corps of Engineers. Aaron is our youngest at 29 and he is an air traffic controller for the FAA. We have traveled and lived in many places over the years. Married in Columbia, SC in 1976 and then moved to Fresno, CA to finish college. We spent seven years after college working in Anchorage, Alaska – first with the Department of Housing and Urban Development then with the Corps of Engineers. In 1986 we moved to Portland, OR. We have owned a home in the Sacramento area since 2000. We remember visiting Lincoln Hills when it was just open but still in the early stages of development. Even then we knew it would be a nice retirement community.

### EDUCATION

B.A. in Economics, California State University, Fresno, CA – May 1978

### WORK EXPERIENCE:

Most of my 33 years with the Federal Government were with the U.S. Army Corps of Engineers, serving in a wide variety of positions. My initial job was as a staff economist in Anchorage, Alaska, where I was responsible for conducting studies to determine the economic benefits of various water resource projects (navigation, hydropower, flood damage reduction). We then moved to Portland, OR where I became the Chief of Economics for the Portland District office. I subsequently moved into a number of management positions over the years. In my final five years with the Corps I was the Planning and Policy Chief for the Northwestern Division, Portland, OR. I was responsible for overseeing the development of a wide variety of planning studies that were used to determine the Federal interest in moving water resource projects into construction. The Northwestern Division included District offices in Portland, OR, Seattle, WA, Walla Walla, WA, Kansas City, MO, and Omaha, NE.
